

LDO 653X (CIVIL ENGINEER CORPS)

DESIGNATOR DESCRIPTION

Civil Engineer Corps Limited Duty Officers support the expeditionary war-fighting capability and readiness of Naval Expeditionary Forces through leadership, technical proficiency, and experience. They may serve as platoon commanders, company commanders, department heads, and must focus on a broad mix of operational, training, and maintenance expertise. They may also serve as Commanding Officers of Construction Battalion Maintenance Units (CBMU) and Naval Construction Training Centers (NCTC), Chief Staff Officers with Naval Construction Groups (NCG) or Naval Construction Regiments (NCR), Executive Officers at NCTC, Training Officers, Operations Officer's, or Equipment/Table of Allowance Readiness Managers in various billets. Experience in these disciplines is acquired through career development, operational/expeditionary tours, and acquired professional education. A Seabee Combat Warfare (SCW) designation is typically earned in their first or second tour while assigned to an NMCB.
